

HEALTHY KIDS, HEALTHY SCHOOLS

BUS PROCEDURES

Upon our return to school, our bus transportation will operate under the following guidelines:

- Students and staff will be required to wear face masks while on the bus.
- Siblings from the same household will sit together.
- Bus drivers will disinfect the vehicle after morning, mid-day, and afternoon runs. When possible, disinfection between runs will be conducted.
- It is highly encouraged that students practice physical distancing while gathering at the bus stop or wait in the family vehicle until the bus arrives.
