

# HEALTHY KIDS, HEALTHY SCHOOLS

## BREAKFAST & LUNCH

- Upon our return to school, students will eat breakfast in the classroom, but will have lunch in the cafeteria while practicing physical distancing as space allows.
- Meals will consist of individually plated variety of nutritious, healthy items both fresh made and pre-packaged while allowing students the ability to have a choice of their meals. Self-serve items will be limited to pre-packaged items. Our salad bars will not be available until we are past the COVID-19 pandemic.
- Students will be encouraged to follow the CDC's "No Sharing" guidelines with all food, drinks, devices, personal belongings, etc.
- Donations of student snack items are not being accepted at this time.
